

Pied Pipers Prep For First District Play Of Grid Season Against Roby Eleven

Prospects of meeting an inspired Roby Lion football team confronted the charges of Coaches Jess Burditt and Vernon Townsend when the Pipers journey to Roby tonight.

Coach Jim Duncan of Roby has been notified of his recall to the Marines and it is anticipated that the Lions will be fired up for the final engagement under his tutoring.

The task of reading the Piper squar for their first district encounter has been magnified by the layoff which followed the game with Spur and the Hamlin club has not been sharp in workouts for the week.

Hamlin's fleet half back, Sugar Green is still favoring an injured knee incurred in the Spur game and there is some doubt that he will be ready for full time duty against Roby. Other minor injuries have responded to treatment and the club will take the field in otherwise sound physical condition.

Asa Goodgame and W. T. Stapler, other members of the Hamlin captain's trio, are primed and ready to demonstrate why they are outstanding candidates for a designation as all-district at their respective positions. This will be no new honor to Goodgame, who has twice previously been chosen for the honor.

Stapler has thus far been head and shoulders above his opposition from both a guard and tackle position and his speed has been a potent factor in the success of offensive and defensive play of the Pipers.

Indication of the value of Stapler at this position is contained in the fact that the Pied Piper mentors that he would be a consistent ground gainer in the backfield but are forced to leave him in the forward wall because of his inspiration to the remainder of the team.

Other Seniors comprising the club are Don Rowland, Billy Sutherland, Ronald Armstrong, Jerry Carr, and Don Gregory in the starting lineup. Juniors are Tuffy Ford, Hub Hopper and Frank Albert Tucker.

These stalwarts are not inclined to take a back seat to their captains and perform their tasks in a manner that keeps the whole squad hustling.

The Fletcher brothers, Robert and Garland are strong defenders and comprise first string replacements when the opposition goes to the offense.

Strides taken by the B team in their games to date provides a constant threat to the first string for their place in the sun and any faltering will bring them into the contest.

But the Roby Lions are going to be double tough tonight and the Pied Pipers are going to have to be READY.

Holly Toler To Lead Boy Scout Fund Drive

Announcement was made in Hamlin this week that Holly Toler had accepted designation as chairman of a fund raising committee for the Boy Scout troop of the Chisholm Trail council.

No quota has yet been set for the drive and Toler will announce his appointments of aides as they are selected.

Program of the Scout organization for the year will require an increase in funds over what was required in the past and Toler and his aides will seek to create interest in the organization at the same time that the drive is being conducted.

Success of the summer encampment enjoyed by the Scouts at Buffalo Gap has been a noteworthy accomplishment of the local organization.

W. B. Dobbin Given Safeway Refrigerator

W. B. Dobbin of Hamlin received the Frigidaire given by the Hamlin Safeway Store Wednesday afternoon.

The refrigerator was given in honor of the new remodeled store which was practically refurnished several weeks ago.

Full Response Greeted VFW Member Drive

Members of the Hamlin Post of the Veterans of Foreign Wars are busy individually in their drive for members for the 1951 club roster.

A competitive race has been instituted for the drive in which the locals will contest with other organizations in the region for a complete representation and the Hamlin club has set the winning of this competition as their goal.

Credit will be received for members reinstated, new members and extension of memberships already obtained.

Commander C. W. Gold has outlined an ambitious program of community enterprises for the year ahead and a full membership will be required to accomplish the purposes outlined.

Pipe Poses Problem To Golf Enthusiasts

Enthusiasm of members of the Lakeview Golf Club demonstrated in the move for grass greens on the local course has led to extreme optimism on the part of the club directors. With the assurance that sufficient financial backing can be obtained to fulfill the requirements, plans are going forward to commence work in the very near future.

Principal problem of the group is in finding sufficient pipe to lay the lines which would be necessary to properly water the greens after they have been planted to the proper grass to insure the best putting surface.

A minimum of two-inch diameter pipe will be required and this and larger sizes of tubular goods is a pronounced scarcity in industry today.

First intention was to use second hand material for this construction but no source has been found from which it could be obtained. There is a considerable difference in price between new and second hand material but the resultant longer life should compensate for the difference.

About 3,600 feet of pipe will be required to lay the necessary lines.

Traffic Crash Wrecks Cars Driven by Youths

A traffic crash involving cars driven by local youthful drivers resulted in heavy damage to the two vehicles involved late Tuesday evening near the railroad crossing on South Central Avenue.

Angela Touchon, driver of the Model A Ford involved in the crash and Donald Armstrong, the driver of the Chevrolet, were not seriously injured, although Miss Touchon suffered a painful knee injury.

Drug Stores Finish General Face Lift

Hamlin's three drug stores are keeping pace with the growth of the community with a general face-lifting campaign which has added materially to the attractive interiors.

Waggoner Drug started the ball rolling with the installation of a new fountain and additional tables at which to serve their fountain trade.

Reynolds Drug Store came in with their own renovation program that brought new show-cases along the north wall in a modern blonde finish and then installed upholstered booths for service from their fountain.

Keeping in step with progress, the Howard City Drug has now completed installation of a modern back bar to their fountain, the prescription department has been moved to the rear and interior of the store has been freshly painted.

Further plans for improvement have been indicated to an already superior appearance of the three stores.

Firemen Take First In Rotan Meeting

Snyder, Roby and Hamlin firemen carried off honors in hose races at the Mid-West Firemen's association meet held at Rotan last Thursday. More than 300 volunteer firemen, their wives and visitors attended the meet which was held for the first time in Rotan.

Hamlin firemen placed first in the six man hook-up race with a time of 14 seconds flat. The six man team was made up of Bill Thompson, Charles Carter, Weldon Hudson, Carl Young, Jack White, and Jake Lawson.

Colorado City and Merkel placed in that order behind Hamlin. At the dinner meeting of the association about 500 were present and there the final business of the day was consummated. Result of a determined bid by the Hamlin representation was the selection of Hamlin as the site of the April meeting of the association.

A chuck wagon featured the evening with a dance following at the VFW hall. Virtually the entire Hamlin organization attended the evening meeting.

Congressman Burleson Opens Anson Office

Representative Omar Burleson's Anson office will open early this week by the congressman's secretary, John P. Hardesty Jr.

The office will arrange speaking engagements for the Congressman in October and early November.

Burleson left Washington, D. C. last Tuesday for Texas. He and Mrs. Burleson will visit in Georgia in route. He arrived in Anson Monday or Tuesday. He is to fly to Miami, Florida to take part in the International Trade Mart, a discussion of commerce between hemisphere nations, on Thursday, October 12.

Merkel Postpones B-Team Schedule

The football game scheduled for Saturday, October 14, between the Hamlin and Merkel B teams has been postponed until November second.

This was to have been a return engagement for the two teams the first meeting at Merkel resulting in a 7-0 victory for the Merkel aggregation.

Postponement was a bitter disappointment to the Hamlin club because they are riding on a victory wave that promised to erase the blemish of the previous Merkel victory.

Reason for the postponement is the closing of the Merkel schools to meet the cotton harvesting crisis that has resulted from the child labor law enforcement by the department of labor.

Bolivia and Paraguay are the only South American countries having no seacoast.

Bryan Number 2 Well Gauges 102 Barrels

The Moutray-Moore Drilling Co. has completed their W. J. Bryan Number 2 in the Swastika pay as a producer. Railroad commission tests of this well have set production at 102 barrels of 37 gravity oil in 24 hours through half inch choke.

This well was drilled by Moutray-Moore in partnership with Austin Poe of Hamlin after their number one well in the same block was a failure.

Success of the Bryan well was followed by the announcement of a farmout from the Seaboard Oil Co. to John E. Black of adril site for the W. F. Martin Number 1. This well is 15 miles northwest of Hamlin near the Stonewall County line.

This is to be the second try on the W. F. Martin properties, a previous attempt having been abandoned as dry.

Also drilling in that area is the Morton Number 2 on the Y-6 ranch by Atlantic after their first effort on that land was a definite producer. This well is expected to reach pay depth early next week.

Also in that locality is the W. F. Edwards Number 1 for Seaboard which is being drilled by Seaboard. Rumor circulated that additional drilling crews will be employed in that section immediately.

Information circulated in Hamlin Thursday was that the C. P. Amerson Number 5 had missed the Swastika and operator would drill ahead to the Canyon sand.

Meantime Unreger & Frazier have staked location for their J. P. Roberts Number 3 in the East Hamlin field, which is an offset to production.

S. C. Herring has completed the Number 4 C. P. Amerson in the same field as an offset to production and the L. D. Bristow wildcat, drilled by W. F. Nennay had no show and was abandoned at 3,303 feet.

The Joe Culbertson well near the old Flat Top school being drilled by Sky High, has had no commercial show to date and is drilling at about 4,500 feet.

Locals Off to Colorado For Mountain Hunt

Stanley Carmichael, Herman McBride and Elmer Feagan left Hamlin early Thursday morning for Creed, Colorado, where they will hunt on a lease which they had engaged early in the summer.

Elk will be the principal game which the party will seek at the approximate 12,000-foot level of the site engaged. They plan to hunt other game at different sites prior to their return to Hamlin.

Thomas Jefferson introduced waffles to America.

Ladies Night Observed by Lions Local In Festivities Held At High School Tuesday

The long-awaited Ladies Night which had been projected for the Hamlin Lions Club at last came to its realization Tuesday night when the club assembled at the high school for the festivities of the evening.

First activity of the evening found the approximate 90 present filling into the cafeteria where they were served an excellent repast prepared in that kitchen.

No ceremonies were attached to the feeding of the assembly and when that portion had been completed, President Jim Howard King instructed that the body file into the auditorium for the remainder of the program.

Invocation was led by Lion Ted Russell President King then introduced Mrs. Bob Nunley in a vocal rendition of Through The Years and There's No Tomorrow. Mrs. Nunley was accompanied by Mrs. W. C. Russell at the piano. The offering of Mrs. Nunley took some offering of Mrs. Nunley, in its artistry, made up for a pitiful display put on by the Lions in singing their club songs.

Superintendent I. R. Hutchinson, in his role as deputy district governor, was called upon to introduce Elmer Atkins, District Governor, Arlington, who spoke to the group on Lionism and the aims of that organization.

Harry Carmichael, Lion Tamer introduced the guest for the evening, which included Mr. and Mrs. E. B. Ellis, Mr. and Mrs. Ivan Flynn and Mr. and Mrs. Tom Weideman, all of Sweetwater. Ellis is zone chairman for the Lions.

Mr. and Mrs. Joe Childress and Mr. and Mrs. Owen Thomas of Abilene were next introduced. Childress is international counselor for Lions and Thomas is vice president of the Abilene club.

Judge and Mrs. Grindstaff and Mr. and Mrs. Bob Morris from the Rotan club were next on the list.

Local guests for the event were Mr. and Mrs. Owen Shelburne Mr. and Mrs. Charles Gudger and Bob Nunley.

Hubert Carson, Hamlin man connected with the Throckmorton school system and Walter Chalcraft then offered a medley of vocal duets consisting of Ragtime Cowboy Joe, I Like You, The Fireman's Bride, Roll a Silver Dollar Across the Barroom Floor and Little Liza Love You Honey. Chalcraft and Carson exhibited the style that made them the hit of a Lions convention at Mineral Wells earlier in the year and encores were repeated.

Roby Coach Duncan Taken By Marines

Coach Jim Duncan of the Roby Lions has received his call to service in the Marine Corps, and the game with Hamlin Friday night will be his valedictory at the helm of the Lions.

Duncan left the service as a sergeant in the Marines and will stand his physical prior to application for a commission in that branch.

Leroy Wadley will assume the direction of the football destinies of the Lions after Duncan's departure about the middle of next week.

Rotary Hears Talk From Lee Rawlings

Hamlin's Rotary Club heard a talk given by Lee E. Rawlings, local Church of Christ minister, at their regular Wednesday noon luncheon.

Mr. Rawlings' talk was on "Practical Business Man" and text for his talk came from the book Isaiah of the Bible. He compared a woodchopper's thoughts with those of men nowadays and showed that the woodchopper liked in his program.

There was one visitor from Stamford; five from Abilene and one from Seminole.

Y-6 Ranch Cops Beef Cattle Honors at Fair

A report Wednesday evening from the 22nd annual Central West Texas Fair, Haskell showed that Mrs. Fay Young Morton's Y-6 Herefords copped all the honors Tuesday in the beef cattle division.

Mrs. Morton is owner of the Y-6 Ranch located North of Hamlin and she showed a grand champion and a reserve at the show.

First Year Ag Boys Choose Officers

First year Vocational Agriculture Boys at Hamlin High School met last Friday at the F.F.A. class room and organized their Green Hand Club and elected officers for the current year.

Officers elected were: Don Crowley, president; Paul Wick, first vice president; Donnie Holway, second vice president; Doyle Brinniger, third vice president; Jimmy Ray, secretary; Lee Maberry, treasurer; Lonnie Einniker, reporter; Larry Rose, parliamentarian; Billy Ray Barnett, sentinel; Milton Crow, historian and Billy Jean, song leader.

Social Security Man Is Scheduled at Stamford

Ralph T. Fisher, manager of the Abilene social security office, will be at the Stamford Post Office next Thursday at 3:00 p. m. a report to The Herald stated.

He will assist with claims of retired workers, dependents an survivors; take applications for social security cards; and distribute informational leaflets explaining phases of the amended social security act.

SERVICE CALLS LOCALS

Bo Newland has been recalled to the service and is now at Camp Hood, Texas, where he has been assigned a rank of staff sergeant in his branch.

Tom Wilson, assistant manager at Rockwell Bros. Company has also been ordered to report to Dallas on October 18.

Wilson will resume his rank as a lieutenant in the Marines.

Arlie Cassle Completes Tenure As Red Cross Chairman, Myers Named to Post

Ted Myers, Stamford real estate and insurance man, was elected chairman of the Jones County chapter of the American Red Cross Tuesday night of last week at the Chamber of Commerce office at Stamford.

Myers succeeds Arlie Cassle of Hamlin, chairman for the past year, who presided.

Billy Farnsworth of Anson was named vice chairman; Mrs. John C. Bryant, Hamlin, secretary; Frances Bennett, Stamford, treasurer; Lee Walker, Stamford, home service chairman; Haskell Carter Hamlin, accident prevention; R. B. (Ronald) Carruthers, Anson, first aid; George Owens, Anson, water safety; Mrs. R. F. Mahood, Stamford, publicity.

Raymond Hammer of Stamford chairman of the nominating committee, gave the committee's report. Others who served with him were Holly Toler of Hamlin and George Harrell of Anson.

Certificate of honor for distinguished service in the 1950 fund campaign was received by the chapter and an individual certificate of honor for Jack Russell of Hamlin, fund campaign chairman for 1950, was awarded from national headquarters by Mr. Cassle.

Cassle expressed appreciation for the fine cooperation which he has received during the past year. The financial report was given by Geneva Jo Brown, executive secretary, and she and Cassle discussed some of the home service cases to explain some of the Red Cross work for the county during the past year.

The meeting was attended by Holly Toler, Haskell Carter, Arlie Cassle, Jack Russell and Mrs. John C. Bryant of Hamlin; R. B. Carruthers and Billy Farnsworth of Anson and Raymond Hammer, Geneva Jo Brown and Frances Bennett of Stamford.

Billy Deel Finishes Air Corps Training

Billy D. Deel, son of Mr. and Mrs. Bill Deel of Hamlin, recently finished his boot training at San Diego, California a report to The Herald revealed.

He has received a diploma for finishing his high school work, the report continued, and is now stationed at the Alameda Air Base, Alameda, California.

He is receiving radar and electronic training and will be eligible for AA3c soon.

He is convalescing in a base hospital from injuries received and further was received Tuesday that he is better.

September Records Show 13 Marriages

County records at Anson encountered a slow march on marriages with 13 wedlocks and 12 divorces.

Those issued marriage licenses were: Benny Edward Houghton and Joyce Dunn, John Willis Hale and Mrs. Ida Earnet, Hayden Young Profit and Ima Lou Wilson, Harold Dean Davis and Betty Marie Green, Deciderio Flores and Sonida Delores Montinez, Alfice Leon Clark and Tommie Clarrecca Rogers Wade, A. C. Hall and Mrs. Erma Hale, A. R. Shipp Jr. and Joyce Faye Benham, Shirley Dick Hardy and Dorothy Sue Staley, Walter Lee Goza and Ruby Lois Dotson, J. B. May and Billy Joyce Ray, Hardy Harold Corley and Ovie May Black, Robert Davis Jones and Jimmie Lee Russell.

Hamlin's B team starters in the line were led by Rowland, Don Elmore, Duck Weaver, Donald Armstrong and Donald Strain in arresting any forward progress by the Haskell attack.

In the curtain raiser the Hamlin Mighty Mice, Junior High school team held the Haskell aggregation even during the first half but weakened in the final chapter and were trounced by a two touchdown margin.

Robert Bowers and Alex Baxter counted the tallies for the Papooses of Haskell.

Theodore Roosevelt once said, "In the Whitehouse you do not live; you are just Exhibit A."

Pat Marlow To Move To Midland Situation

Pat Marlow, partner in the operation of the Style Cleaners for the past several years, has accepted an offer from operators of the Piggy-Wiggly franchise at Midland wherein he will train in their organization for a manager's situation.

Marlow will draw on many years of experience in the operation of Safeway stores to qualify himself for the direction of a brand-new store which has been opened in Midland.

No disposition has been made of his interest in the Style Cleaners and Marlow will continue to be interested in that firm.

Marlow has been very active in the affairs of the Rotary Club in Hamlin and leaves a record of intense civic interest. Mrs. Marlow and Don G. will remain in Hamlin.

Hamlin B-Team and Mighty Mice Split With Haskell Clubs

The Haskell Indians demonstrated their fear of the Stamford Bulldogs in their Friday night battle by the class of the B squad they sent to Hamlin last Thursday night for the game scheduled on that date.

A very meagre group of gridiron performers proved no match for the offensive fireworks that the Hamlin B team threw at them from the sound of the opening whistle.

Jigger Rowland was chosen as captain of the Hamlin squad for the night and won the toss for choice at the outset. Choosing to receive, Hamlin left little doubt of what was to come when James Maberry burst into the secondary and loped 50 yards to the pay-off stripe.

Shortly thereafter Milton Butler tucked the oval away and scampered for another touchdown. This run was from about 25 yards out.

Then Troyce Harrover got in his contribution with a 25 yard run after taking the ball on a handoff from his flanker's position.

The rapidity of the scoring led to the entry of the Catfish into the fray and Glenn Smith lost no time in demonstrating the latent power that is contained in that lineup. He got away behind some beautiful blocking to race 60 yards for a score.

At this point Charles Du-kee registered the only point after touchdown he was able to convert throughout the evening.

Milton Butler came through in a duplicate 60 yard dash to pay dirt just before the half ended and this sent the starting lineup to the showers for the evening.

With the first string out of there things evened up between the clubs and thrusts were stopped by both teams until Willard Dake, tint sized Haskell back grabbed a jump pass for an interception on his own six yard line and raced 94 yards for a Haskell marker.

Haskell threatened again late in the final quarter and the Hamlin B squad held for downs on their own two-yard line. Glenn Smith chose this moment to burst away for a 68-yard gallop to the enemy goal. Smith was aided in this run by a beautiful block thrown by Don Kelly.

Final score was Hamlin 37, Haskell 6.

Hamlin's B team starters in the line were led by Rowland, Don Elmore, Duck Weaver, Donald Armstrong and Donald Strain in arresting any forward progress by the Haskell attack.

In the curtain raiser the Hamlin Mighty Mice, Junior High school team held the Haskell aggregation even during the first half but weakened in the final chapter and were trounced by a two touchdown margin.

Robert Bowers and Alex Baxter counted the tallies for the Papooses of Haskell.

Theodore Roosevelt once said, "In the Whitehouse you do not live; you are just Exhibit A."

WET WAR—Supported by his comrades, an exhausted G.I. stumbles toward a collecting station on the Taegu front in South Korea. Along with others, who are beginning to show the effect of long days of fighting in rain and mud, the G.I. will be evacuated to the rear lines and treated for battle fatigue. At left, an American soldier picks up a helmet belonging to one of his buddies.

Two Hamlin Girls At TSCW for Fall Term

Two Hamlin girls, Edith Ann Scott and Wilma Louise Moore

have enrolled for the fall term at Texas State College for Women at Denton a report to The Herald revealed.

A total of 184 counties out of Texas' 254 are represented as

well as 10 foreign countries and 30 other states.

Miss Scott is the daughter of Mr. and Mrs. K. T. Scott.

Miss Moore is the daughter of Mr. and Mrs. W. C. Moore.

Farm Cash Income For State of Texas Shows Sixteen Per Cent August Gain

Farm cash income in Texas was 16 per cent higher in August than in the previous month, according to a report to The Herald from the University of Texas Bureau of Business Research.

August income amounted to

\$131,127,000, which represented a 27 per cent reduction from the comparable 1949 level.

Cotton was the greatest source of income in August, bringing Texas farmers \$62,525,000. Income from cattle totaled \$16,212,000; milk products, \$9,227,000; and cottonseed, \$7,773,000.

Farmers in Southern Texas Prairies turned in the largest dollar income in August—\$31,259,000. Coastal Prairies with \$24,820,000 and Lower Rio Grande Valley with \$21,870,000 ranked second and third.

Coastal Prairies, up 283 per cent, recorded the largest increase in farm cash income in August from July. Other gains were registered in Black and Grand Prairies, 107 per cent; East Texas Timbered Plains, 65 per cent; Edwards Plateau, seven per cent; and South Texas Plains, two per cent.

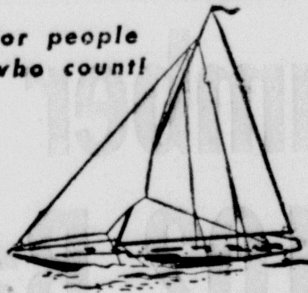

Monthly declines were recorded in Red Bed Plains, 62 per cent; Northern High Plains and the Southern High Plains, 53 per cent; Lower Rio Grande Valley, 49 per cent; Trans-Pecos, 18 per cent; Western Cross Timbers, 13 per cent.

In comparison with August 1949, increases in farm cash income varied from nine per cent in Trans-Pecos to 71 per cent in Edwards Plateau. Declines ranged from seven per cent in Black and Grand Prairies to 82 per cent in Northern High Plains.

Mrs. J. T. Mahaffey of McCaulley was a medical patient in a Rotan hospital week before last. Stapling Machines at The Herald.

"Flame Fashion" Cooking School To Begin October 19 Headed By Miss Ritter

Demonstrations in cooking that will feature automatic gas ranges and refrigerators that replace all drudgery with comfort in meal preparation are scheduled to be held at the Hamlin High School auditorium on Thursday and Friday, October 19 and 20. This is announced by Jake Lawson, manager of the Lone Star Gas company in this area.

The demonstration will start at 2:30 p. m. each day, and will be free to the public and no advance registration is required. The conductors of the school announce that recipe sheets will be distributed.

These demonstrations, detailing the advantage of "flame cooking" will be jointly sponsored by: Carlton Hardware and Appliance Company, Bryant-Link Co., Wilson Hardware, City Electric & Plumbing Company, Barrow Furniture Company, James Furniture Co., Kincaid Appliance Co., White's Auto Store and Lone Star Gas Company.

Demonstrations will be performed by Miss Marthe Ritter, member of the Lone Star staff of home economists. She is an expert in the art of modern gas cooking with wide experience in the practical as well as theoretical phases of homemaking methods.

The cooking demonstration will

carry the title of "Flame Fashions." They will be based on the belief "There's nothing like a flame for broiling, baking, roasting, or frying and gas is the magic flame for efficiency and dependability."

Miss Ritter will show the latest fashions in gas ranges with automatic features that conserve food fuel and time and energy and cook a complete meal while the housewife is absent.

She will actually prepare and cook all foods in view of the audience as she presents "Flame Fashions" and will demonstrate complete meals, using three or four cooking areas provided by the ranges.

LATEST NEWS REEL
WEDNESDAY & THURS.
NIGHTS

Red Feather Drive Is Camp Fire Project

Camp Fire Girls believe that
every noble citizen of Hamlin
should wear a feather in his cap
—a feather, of course, of scarlet
hue.

Reason for the red feathers is
that October, is celebrated at the
Red Feather Month. And the
West Texas Area Council of the
Camp Fire Girls, as a Red Fea-
ther Service, is well aware of
what the finance means to the
youth of Hamlin.

"Financial support of the Camp
Fire Girls receives from the peo-
ple of Hamlin through your in-
terest, enables us to have a C.F.
Council here, Ryland Geaton,
council president stated. "With-
out this important Red Feather
aid, Camp Fire's leisure-time ed-
ucational and recreational program
would be of necessity seriously
curtailed."

Camp Fire membership is open
to girls from seven to 18, without
regard to race, religion or finan-
cial status.

It serves three age groups. Blue
Birds are seven to 10 years old;
Camp Fire Girls are 10 through
junior high age; and Horizon Club
members are senior high school
students.

Slogan for this year's Member-
ship March is "Be Friendly—
Make Friends—Join the Camp
Fire Girls". Secondary theme of
the march is safety.

Master Sergeant Home After Japanese Duty

M-Sgt. and Mrs. Hoy K. Mof-
fett, formerly of Rotan, now of
Sylvester, have returned home
from Japan after spending two
years in the Army of Occupation.

Sgt. Moffett is recovering from
a major operation and was sent
home on sick leave. He is to re-
port to Army Hospital at Fort
Bragg, North Carolina, when his
leave is over. He will then re-
port to Korea for duty when he
is able to resume his army duties.

The Moffetts have a small
daughter, Sharon Pence. They are
visiting with their parents, Mr.
and Mrs. J. H. Lawlis of Sylves-
ter and Mr. and Mrs. Onus Mof-
fett of Roby.

Mr. and Mrs. J. P. Montgomery Celebrate Sixtieth Wedding Anniversary at Sweetwater

Mr. and Mrs. J. P. Montgomery,
of Sylvester celebrated their 60th
wedding anniversary with a fam-
ily reunion in the Sweetwater
City Park, Sunday, October 1.

The couple were married Oc-
tober 1, 1890 in Eastland County.
Six of their nine children were
present and many of the 41 grand-
children and two great grandchil-
dren.

Those present were: Mr. and
Mrs. G. W. Montgomery of Ada,
Oklahoma; Mrs. Alma Uhles of
Tulsa, Oklahoma; Mrs. Ada Why-
ler of Cisco; Mr. and Mrs. George
Evans and Mr. and Mrs. W. R.
Brooks, all of Clifton, Arizona;
John Evans of Caballo, New Mex-
ico; Mrs. Betty Evans and Mr.
and Mrs. Aubrey May of Colo-
rado City; Mr. and Mrs. Virgil
Fraser and Meril and Mr. and
Mrs. H. L. Fraser, all of Hawley;

Mr. and Mrs. Milton Montgom-
ery, Mary Evelyn and Sonny, all
of Sylvester; Mr. and Mrs. Gene
Fraser of Abilene; Mr. and Mrs.
A. O. Hollis and children, Buddy
and Robert Montgomery all of
Fort Worth; Mr. and Mrs. Oscar
Montgomery of Kermit; Mr. and
Mrs. W. L. Swofford and Mr. and
Mrs. Bob Horton and children, all
of Lorraine;

Mrs. Mamie Swofford of Cross
Plains; Mr. and Mrs. W. M. Mont-
gomery and Jerry Murray of Bis-
hop; Pvt. D. W. Patrick of Wich-
ita Falls; Shirley Patrick of

Gift Tea Is Thursday Local Event Honoring Bebe Doris Shelton

A gift tea honoring Bebe Doris
Shelton was held Thursday in the
home of Mrs. Paul Bryan from
7:00 until 9:00 p. m.

Heading the receiving line was
Mrs. Bryan; followed by Mrs. O.
R. Shelton, mother of the hono-
ree; Miss Shelton and Mrs. Wil-
lie Maberry, aunt of the honoree.

A large lace covered the table
before a mirrored wall, was cen-
tered with English Ivy and Que-
en's Lace. An arrangement of
the ivy and flowers encircled a
small bride and groom.

Presiding at the table were:
Miss Jo Hargrove and Mrs. Ed
Lewis, who served punch and
small pink and lavender cakes.
Gifts were shown by: Misses
Mary Carter, Mozelle Barnett,
and Majorie Steed. Mrs. Tommy

CHEVROLET

Your Best Buy—by All Odds

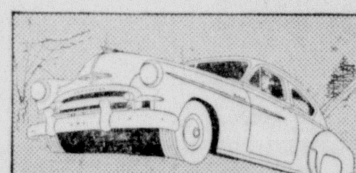

It offers more for less—throughout

All these fine car features at lowest cost:
Center-Point Steering; Curved Windshield
with Panoramic Visibility; Fisher Unisteel
Body-Construction; Hydraulic brakes with
Dobl-Life rivetless linings.

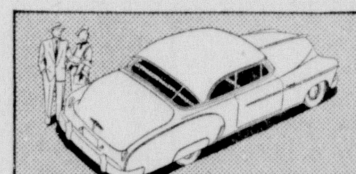

It operates more economically

Owners know that Chevrolet brings them
an unequalled combination of thrills and
thrift, because it's powered by a Valve-in-
Head Engine—trend-setter for the industry
—exclusive to Chevrolet in its field.

It's better looking—all around

Walk around a Chevrolet . . . study it
from every angle. You'll find it's the best
looking of all low-priced cars, as a recent
independent nationwide survey shows—and,
in addition, it's the longest, widest, heaviest
car in its field. Come in and see it!

It drives more easily

Finest no-shift driving at lowest cost with
Chevrolet's Powerglide Automatic Trans-
mission* . . . or finest standard driving at
lowest cost with Chevrolet's Silent Synchro-
Mesh Transmission.

It lasts longer, too

Chevrolet cars are extra-sturdy, extra-
rugged, extra-durable. That's one reason
why there are over a million more Chevro-
lets on the road than any other make, many
having served over a long period of years.

It rides more smoothly

So smooth—so steady—so safe . . . the
easiest riding car in its field . . . thanks to
the Unitized Knee-Action Ride combined
with airplane-type shock absorbers all
around!

*Combination of Powerglide Automatic Transmission
and 105-h.p. Engine optional on De Luxe models at
extra cost.

"A FRIEND INDEED"

From the basement of their Maplewood,
Mo., home, Mr. and Mrs. Harold W. Ross
run a rapidly expanding chicken hatchery,
depend a lot on their business telephone.

Says Mr. Ross: "Never realized how our
telephone helps us save and make money
until we kept a five-day record of our tele-
phone calls recently. Our phone helps make
sales for us, runs errands, delivers mes-
sages, does many important jobs. It's a
friend indeed!"

☆☆☆

Each year brings greater progress in your
telephone service. New telephones added
—greater improvements made. The result:
quicker, more trouble-free service—a real
budget value that grows in value every
year. Southwestern Bell Telephone Co.

Tuesday—Customer calls for shipment of
baby chicks. Mrs. Ross is hard of hearing,
uses a special amplifier. Hears easily.

Wednesday—Sister-in-law asks
about son who works for us.
To save time, Mrs. Ross takes
call on basement extension.

Thursday—Prospect calls
about chick prices. Our ad
in yellow pages of direc-
tory is sales builder.

Friday—Supplies low—so our helper orders more.
Business telephone means low-cost way to carry
on all phases of our business.

What else gives so much for so little?

RETURN HOME.

Mr. and Mrs. W. R. Redus have returned home after visiting with friends and relatives in Pampa, Pecos City, Oklahoma; Omaha, Nebraska; and Council Bluffs, Iowa.

Lois Glass Circle Meet With Mrs. Sellers Host

Lois Glass Circle of the First Baptist Church of Hamlin met Tuesday in the home of Mrs. Cecil Sellers.

After a business session, Mrs. L. R. Hutchinson brought the Bible lesson on the book of Esther.

Refreshments of ribbon sandwiches, cakes and candy nuggets were served to the following:

Mmes. Earl Smith, Clyde Angel, Byron Bell, Cecil Brown, LaFoy Paterson, Bill Maddox, Sigmund Stovall, Delma Shelburne, W. Wallace, A. G. Irwin, Lesley Shelburne, Mrs. Hutchinson and the hostess.

Pencils, every kind. The Herald

Literary Club Holds Meeting at Anson

The Hamlin Literary Club held their meeting Friday, October 6 at 1:00 p. m. at the Anson Hotel Coffee Shop at which event Mrs. L. H. McBride delivered the president's message.

Mrs. J. W. McCrary responded to the president's message.

Mrs. I. R. Hutchinson introduced Mrs. Gene Shadle of Fairlawn, New Jersey. Mrs. Shadle is a sister-in-law of Mrs. Earnest Jenkins.

Mrs. M. T. York was introduced and installed as a new member of the club.

About 33 members were present at the meeting, arrangements for which were in the hands of a committee composed of Mrs. I. R. Hutchinson, Mrs. O. D. Roland, Mrs. Earnest Jenkins, Mrs. Weldon Johnson and Mrs. A. G. Irwin.

Climax of the program under the direction of Mrs. Hutchinson was the presentation of the year book. Outlined in this volume is the program for the year in club activities.

Charlotte Faye Carson Feted on Birthday

Charlotte Faye Carson, 12, was honored on her 12th Birthday Anniversary with a party given Saturday night in the home of her parents, Mr. and Mrs. Fred Carson of 24 NW 5th Street.

Games were played by attendants and refreshments were served to the following:

Pauline Mayfield, Martha Bunkley, Joy Fay Hames, Marsha Carson, Judy Parker, Reatha Joyce Sanders, Kay, Vermelle Johnson, Melvin Hames, Ronny Parker, Muriel Don Smith, Mac Reid, Jay Cunningham, Jerry Fred Jay, Don Eddy Adair, Herring Dennis, and Paul Fred Carson.

STIFFENING FOR CROCHET.

For one basket—make a syrup by cooking $\frac{1}{4}$ cup sugar and $\frac{1}{4}$ cup water together. Dip the basket in it while hot and wring dry. Use two square boards; stretch the bottom part first and fasten with thumb tacks and then place a bowl or container the size and shape you need and invert it on the other board, and stretch and fasten with tacks. Place in oven with a very low heat and bake three hours, removing to shape edges as it dries.

Weather protection and fashion appeal are combined in this trim new fall coat of cotton corduroy. The cotton corduroy is Zelan treated to ward off the elements with a water-repellent finish. The coat is designed with a five-piece detachable belt and dalmatian sleeves, and there is a matching beret. The outfit was designed by Lawrence of London, the National Cotton Council reports.

THE HAMLIN HERALD

Ninth Birthday Feted For Carol Joe Simpson

Carol Joe Simpson was feted last Wednesday with a birthday party from 4:00 until 6:00 p. m. at the home of her parents, Mr. and Mrs. Joe Simpson. It was her 9th birthday anniversary.

Games were directed by Linda Carlton and Faith Simpson.

A white birthday cake with pink candles in pink bird candleholders was presented the honor. The cake was circled with tiny rainbow colored candy dolls. Birthday wishes and songs were sung and a piece of cake cut and served with a midget doll and ice cream to the following:

Geneva Brinegar, Linda Karen Dutton, Kay Shelburne, Sue Fleniken, Bettie Jane Robinson, Jean Sylvester, Jack Sylvester, Diane White, Candace Thompson, Janice Marie Maddox, Kathleen Kelley, Marjorie Maddox, Barbara Ann Cheshier, Janelle Rawlings, Amy Eysen, Helen Eysen, Von Stephens, Lana Claude Lancaster, Barry Moore, Kay Millern, Jerry Ed Duncan, Brenda Fincannon, Linda Carlton, Dwight Griggs, Glenda Wick, Dudley Griggs, Faith Simpson, Mrs. Ewell Maddox, Mrs. Bill Thompson, Mrs. Alfred Dutton and the honoree.

RETURNS FROM ARKANSAS.

COOK ELECTRICALLY ... it's ECONOMICAL

Cool, Clean, Fast and Automatic!

A few of the reasons why Women prefer ELECTRIC COOKING

It's Fast! Electric "speed-units" now cook faster than any other method!

It's Automatic! Electric cooking's automatic features save you time, labor, and money!

It's Cool! Electric ovens are insulated on 6 sides. Heat goes into food, not into the kitchen.

It's Safe! No matches, no flame, no fumes to bring hazards into your kitchen!

It's Clean! There is no smoke, soot, or dangerous fumes to mar your kitchen.

It's Modern! Once you cook electrically, you'll wonder why you stayed so long with horse-and-buggy methods as old-fashioned as flame lamps.

It's Healthful! Foods cooked electrically retain the garden-fresh flavor and food values which are often lost when cooked by old-fashioned flame methods.

It's the best!

West Texas Utilities
Company

All freedoms stand or fall together. That's why we take our stand together with the doctors of America for the voluntary system. At home or abroad it's worth defending!

Some day you will cook **ELECTRICALLY**,
Why not NOW?

SEE YOUR ELECTRIC RANGE DEALER NOW!

He will tell you more about the wonderful electric ranges... tell you of the ease, convenience, and economies that only modern electric cooking can bring. He'll also tell you of many, many other modern electric appliances that make your work easier, your home more comfortable, and your family happier.

Who Runs America?

the Congress?

the President?

OR YOU AND THE MAN NEXT DOOR?

RUNNING AMERICA is the joint job of 150,000,000 people. It's the biggest job in the world today—keeping it running for liberty and for freedom. And the whole world's watching to see whether Americans can do it!

IN MUCH OF THE WORLD today, the people have resigned from running their own countries. Others have been quick to step in—first with promises of "security"—and then with whips and guns—to run things their way. The evidence is on every front page in the world, every day.

FREEDOM COMES UNDER ATTACK. The reality of war has made every American think hard about the things he's willing to work and fight for—and freedom leads the list.

But that freedom has been attacked here recently—just as it has been attacked in other parts of the world. One of the most serious threats to individual freedom has been the threat of Government-dominated Compulsory Health Insurance, falsely presented as a new guarantee of health "security" for everybody.

THE PEOPLE WEIGH THE FACTS. In the American manner, the people studied the case for Socialized Medicine—and the case against it.

They found that Government domination of the people's medical affairs under Compulsory Health Insurance means lower standards of medical care, higher payroll taxes, loss of incentive, damage to research, penalties for the provident, rewards for the improvident.

They found that no country on earth can surpass America's leadership in medical care and progress. They found that able doctors, teachers, nurses and scientists—working in laboratories where Science, not Politics, is master—are blazing dramatic new trails to health for Americans—and for the world.

THE "GRASS ROOTS" SIGNALS CONGRESS. In every community in the Nation, people stood up to be counted on this important issue. Thousands of local women's clubs, civic groups, farm, business, religious, taxpayer, medical, educational and patriotic organizations spoke out—giving the great United States Congress its unmistakable Grass Roots signal from home!

• Doctors of this Nation are grateful that the people refused to be wooed by the fantastic promises of this un-American excursion into State Socialism. • Doctors of America are dedicated to serve their fellow citizens at home and their comrades in uniform, wherever service to this Nation may take them. • And the thing they stand ready to fight for—to sacrifice for—to die for—is not the alien way of life of Socialism, but the proudful security of a free and self-reliant people!

THE VOLUNTARY WAY IS THE AMERICAN WAY!

• Throughout the Nation, free men and women, working and planning together, are finding the American answer to every question of medical service, care and cost. Hundreds of Voluntary Health Insurance Plans are in healthy competition—sponsored by doctors, insurance companies, hospitals, fraternal organizations—by industry, agriculture and labor. • Today

in America—70 million people are protected by Voluntary Health Insurance! • Throughout the Nation, families are insuring themselves against the major costs of illness—at reasonable, budget-basis, prices. Voluntary Health Insurance takes the economic shock out of illness. Protect your family now. • For information, ask your doctor—or your insurance man.

An American's greatest heritage is the right to learn the facts—and to speak his mind. Maintained with honor and used with sincerity—that right will guarantee forever that

You and Your Neighbor Run America!

First Baptist Missionary Society Installs New Group of Officers With Appropriate Ceremony

An installation service for the First Baptist Woman's Missionary Society was conducted, last Tuesday at 11:00 a. m. in the church auditorium.

Rev. A. R. Posey, pastor, installed the officers by using paper gold colored rings, giving duties of each officer with each officer then pledging to carry out the duties of their office.

After all had been installed, he tied the cord together making a union, closing with a dedicatory prayer.

Those installed were: Mrs. A. G. Irwin, president; Mrs. Cecil Sellers, circle chairman of Lois Glass Circle; Mrs. Roy Carmichael, circle chairman of Lockett Circle; Mrs. Carl Young, chairman of Nannie David Circle; Mrs. W. L. Boyd, corresponding secretary treasurer; Mrs. Edgar Duncan, recording secretary; Mrs. Charles Abbott, pianist; Mrs. Leslie Shelburne, chorister; Mrs. Joe A. Simpson, Young People's leader;

Mrs. LaFoy Patterson, community Missions chairman; Mrs. C. T. Young, Benevolence chairman; Mrs. B. V. Newberry, Stewardship chairman; Mrs. Clyde Angel, Mission and Bible Study; Mrs. A. R. Posey, Program and Literature; Mrs. I. R. Hutchingson, Publicity chairman; Mrs. Tom Routh, Social chairman; and Mrs. Etta Stephenson, Mrs. Clyde Alexander and Mrs. A. R. Posey, Bible teachers.

A covered dish luncheon followed the installation service and a business meeting.

Then the attendants heard a talk from Miss May Belle Taylor a Baptist missionary from Brazil. She spoke to the women at 2:00 p. m. and to the young people at 4:00 p. m. She talked about the mission schools, hospitals, customs, souvenirs.

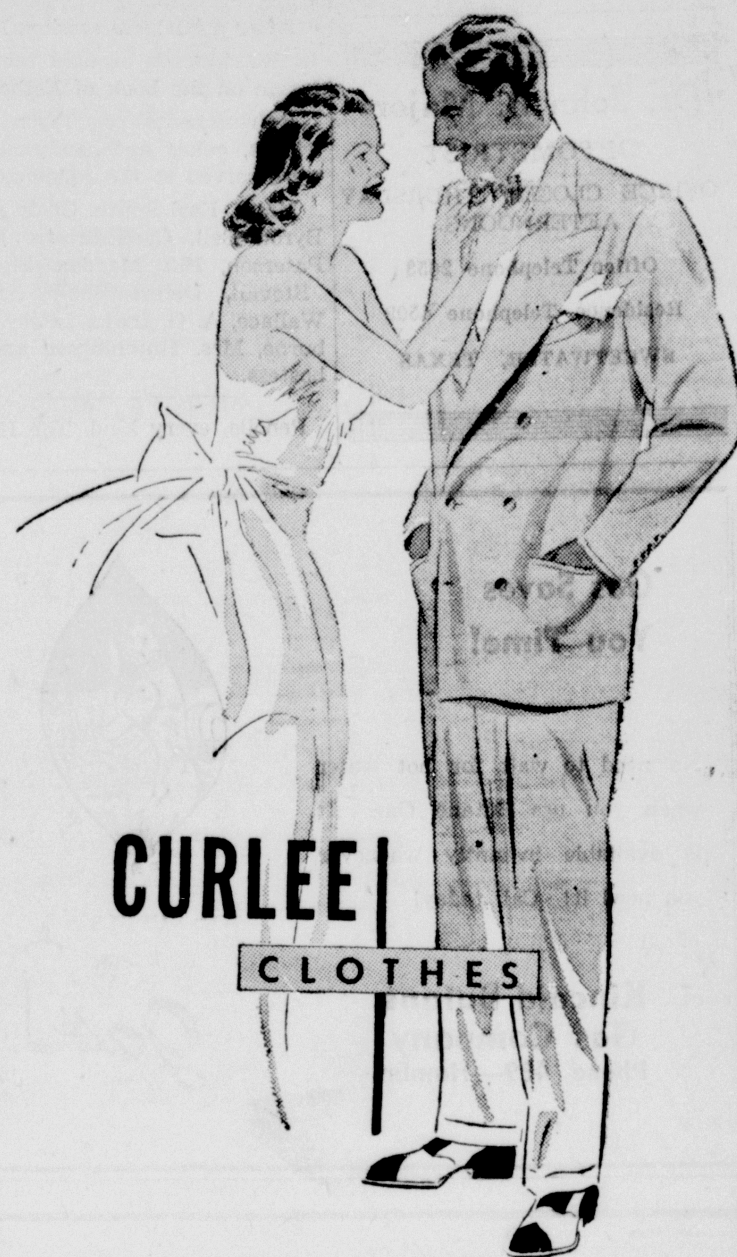

Mrs. Lydia Miller of Hamlin was a medical patient in a Rotan hospital last week.

Looking for POWER?

Better Buy Buick!

THAT bold bonnet that stretches out before your eyes on a 1950 Buick isn't there just for show.

Lift it up, and you'll find that the space beneath is abundantly occupied, by one of the biggest hoodfuls of power you'll find in any motorcar.

What you're looking at is Buick's modern version of the high-compression valve-in-head engine, which gains extra wallop from the fact that it uses the exclusive Fireball combustion principle.

We could list a lot of mechanical reasons why fuel gives up extra power in a Fireball engine—how it's wrapped in a swirling, ball-shaped charge—how it burns with a smooth, clean thrust that delivers maximum action.

But the best way to find out what all this means is to touch off the eager horsepower out on the highway by a gentle nudge of your toe—and feel your shoulders press deep in the cushions behind them.

Now all this sounds thrilling, you say, but how about the feed-bills for all these horses? How about miles-per-gallon?

The practical answer to that one is found in this year's experience with the SUPER and SPECIAL—and even the ROADMASTER.

In all three, the horsepower was stepped up at the start of the year—and in all three, happy owners report the best mileage in modern Buick experience.

This is due to a little-known but authentic engineering fact—which is that an engine burns less gas when it doesn't have to labor. At any normal driving speed, therefore, extra power is extra thrifty.

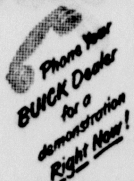

So we say again—if you're looking for power—mighty power—buoyant power—silken power—thrifty power—better buy Buick.

Your Buick dealer is eager for the chance to demonstrate how sound this hint really is.

Only BUICK has Dynaflow Drive® and with it goes HIGHER COMPRESSION and with it goes HIGHER POWER in three engines. (New F-263 engine in SUPER models.) • NEW PATTERN STYLING, with MULTI-GUARD front fender, taper-through fenders • TRAFFIC-HANDY front, taper-through fenders • EXTRA-WIDE SEAT, less over-all length for easier parking and gauging, short turning radius • SOFT BUICK SEATS cradled between the axles • SAFETY-SIDE RIDE, from coil-springing, Safety-Side tube low-pressure tires, ride-steadying torque-tube • Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

H. S.-U. Enrolls 10 Of Area Students

Nine students from Hamlin and
one from McCauley are among
1,650 students enrolled at Hardin-
Simmons University, Abilene, for
the fall semester.

They are: Glen Olen Butler,
Victor F. Colborn, James R.
Feagan, Donna Gayle Gillis, Jack
A. Herd, Ben W. Niedecken, Billy
Jack Owen, Kenneth D. Plemons,
and Sue Juanice Young, all of
Hamlin; and Bobby Ray Crowley
of McCauley.

Butler is the son of Mr. and
Mrs. J. R. Butler of Hamlin and
is classed a sophomore.

Colborn is a senior and is the
son of Mrs. Mattie S. Colborn of
Hamlin.

Feagan is the son of Mr. and
Mrs. Elmer C. Feagan and is
classed as a sophomore.

Miss Gillis is the daughter of
Mr. and Mrs. I. D. Miller and is
classed as a freshman.

Herd is son of Mr. and Mrs.
Arnold Herd of Hamlin and is
classed as a freshman.

Niedecken is a junior and is
the son of Mr. and Mrs. B. W.
Niedecken of Hamlin.

Owen is the son of Mr. and
Mrs. Ralph Andrus and is classed
as a junior.

Plemons is son of Mr. and Mrs.
H. H. Plemons of Hamlin. He is
classed a sophomore.

Miss Young is classed as a
sophomore and is the daughter of
Mr. and Mrs. Carl Young of Ham-
lin.

Crowley is the son of Mr. and
Mrs. C. R. Crowley of McCauley
and is classed as a senior.

P-T-A Meets Thursday At Elementary School

Parent-Teachers Association of
Hamlin met in their regular meet-
ing for the month Thursday at
3:45 p. m. in the Elementary Gym-
nasium.

Theme for the coming year is
"Growing Toward Maturity".

Mrs. Weldon Johnson, president,
called the meeting to order and
Mrs. Bert Fomby led in singing a
stanza of "America." Mrs. John
D. Ferguson led the group in re-
peating the Lord's Prayer.

Seventh Grade girls led by Wal-
ter Chalfcraft, band leader, gave
several selections on the tonette.

Reba Roland gave a reading,
followed by a duet by Terry Strin-
ger and Martha Bunkley, accom-
panied by Anna Mae Collins.

Mrs. D. D. Shelburne gave
each one present a year book for
the coming year.

Mrs. Weldon Johnson presided
over the business meeting and the
ways of making money were dis-
cussed and also an elementary
school carnival and a play of
"Hansel and Gretel."

An award for the winning room
at P-T-A meetings each month
was also on the agenda and a re-
cord player is to be purchased and
presented to the school as the
award.

B. V. Newberry, principal of
the high school, gave a talk on
"The Kind of Parents Teachers
Like."

Next meeting will be November
2 and Lee E. Rawlings, minister
of the local Church of Christs will
speak on "The Kind of Teachers
Parents Like."

Veterans' News

QUESTIONS AND ANSWERS

Q—I am the stenographer of a World War II veteran who was killed in action. He was in my care and custody prior to his entrance into service. May I file a claim for compensation?
A—Yes.

Q—My brother, an honorably discharged World War I veter-

an, was buried in Potter's Field because his estranged wife was not interested where he was buried. What procedure must be followed to have him buried in a National Cemetery and will VA pay the expense?

A—Application for burial should be made to the superintendent of the National Cemetery where burial is desired. Upon application to VA an amount not to exceed \$150 for items of disinterment and reburial may be allowed, it being assumed that no allowance has heretofore been made by VA for burial purposes.

Q—I have been receiving com-

pensation from VA and \$21 additional for a dependent wife. She has gotten herself a job and is earning a fair salary. May I still claim her as a dependent?

A—The additional compensation provided on account of wife or child to veterans having a disability of 50 percent or more is not based on dependency but solely on relationship.

The piccolo is the highest pitched of all musical instruments.

Two signers of the Declaration of Independence became president—Washington and Madison.

McCaulley News

By VIVIAN SHORT

Mrs. Lottie Rector spent last week with her sister, Mrs. J. T. Barnett, of No. 10.

Mrs. Beech Jones has returned home after a month's visit with relatives in Oklahoma.

The John Deans were among the many McCaulleys attending the Fair at Abilene last week. Rev. and Mrs. L. R. Stuckey and Mrs. W. F. Davison attended the Fisher County Workers Conference at Longworth last Wednesday.

Mrs. Arie Smith, president of the Home Demonstration Club and Mrs. Ted Abbott attended the Club's Council Meeting at Roby last Wednesday.

Miss Beth Jones was home from McMurry College, Abilene over the week-end. Mr. and Mrs. Jack Johnson and children, Dee and Elizabeth, of Borger were week-end guests of her parents, the J. T. Rhotens.

Pat Mabery was home over the week-end from Abilene where she is a junior at McMurry College.

Attending the funeral of Mrs. M. C. Branscum were: Rev. L. R. Stuckey, Mrs. N. H. Wishert and Mrs. Charles Ferguson. Services were held last Thursday at Hamlin.

Mr. and Mrs. A. A. Calloway of Sweetwater were visiting old friends in McCaulley Friday. The McCollums, the Rectors and the Shorts in particular.

Mrs. M. L. Akins of Imperial, formerly of McCaulley, is seriously ill in the Hendrick Hospital at Abilene at this writing.

The Noah Wisherts visited Mrs. Wishert's sister in law, Mrs. Lewis of Abilene, last Sunday.

S. E. Miers and son, T. R., attended the Fisher County Singing Convention at Hobbs last Sunday.

Miss Lou Boyd was a week-end visitor with her parents, the L. H. Boyds. She is teaching art in the Lamesa Schools.

Sgt. Leo Masser was home on a furlough from Camp Hood last week. It was his final visit before going overseas.

Vivian and Ben Short visited Cecil Short and family of Abilene Sunday afternoon.

Mr. and Mrs. Lawrence Brewer of Abilene visited the W. C. Keans last Friday. Mrs. Brewer is the former Mollie Sue Kan.

Winston Moore of Abilene, better known as Slim Willet, visited his uncle and aunt, the Ben Shorts, last Monday.

Something to remember: A man shows what he is, by what he

Atomic Radiation Up For Study By Health Department

A new service has been established within the Bureau of Sanitary Engineering at the State Department of Health to handle the thousands of radiation hazards an atomic bomb burst would bring, George W. Cox, state health officer, has disclosed.

It will perform six vital functions, all dealing with finding and decontaminating dangerous radioactive areas. He listed those functions as follows:

1.—Pre-disaster training program. Men and women will have to be trained in the use and interpretation of radioactivity detection instruments. Of course the training program will have to be started immediately, so they will be ready to handle their jobs if and when an atomic bomb is dropped anywhere in Texas.

2.—Detection device distribution. Those men and women will naturally need instruments to detect radioactivity and to protect themselves. Getting such items as Geiger counters, ionization chambers, pocket chambers, an film badges—all radioactivity detection instruments—will be the job.

3.—Monitoring crews, rescue workers, doctors, and nurses will have to have protective clothing such as hoods, gloves, respirators

When filled with hot water, a thick glass will crack more quickly than a thin one.

Molokai, the leper colony in the Hawaiian Islands is supported by the U. S.

"M" represents 1,000 in roman numerals.

and coveralls before they can safely go into contaminated areas. Clothing for this work must be secured.

4.—Field monitoring. Teams of radiation experts will locate areas of residual radioactivity. Geiger counters and the other detection devices can seek out the odorless, tasteless, and colorless radioactive particles that can burn and destroy human tissue and cause changes in body cell structure. Experts will check the buildings, streams, medical supplies, food and so forth, that might have been contaminated. Danger zones will be marked so that people can keep out of them.

5.—Decontamination. Radioactivity will be destroyed by scrubbing, sandblasting, burying and isolating the objects or areas that are found to be contaminated and rescue workers will have to be cleaned when they come in from the field.

6.—Exposure histories. The radioactivity to which emergency workers have been exposed will have to be recorded. This can be told from readings on film badges and pocket chambers. If workers get more than their "maximum allowable lifetime dose" of radioactivity, they will have to be kept from getting any more or it could be fatal to them, the report concluded.

When filled with hot water, a thick glass will crack more quickly than a thin one.

Molokai, the leper colony in the Hawaiian Islands is supported by the U. S.

"M" represents 1,000 in roman numerals.
